Services

II.1.4) Short description

In September 2020 NHS England published the advancing-mental-health-equalities-strategy which reiterates that :

- Different groups access services differently, with underrepresentation in some services and overrepresentation in others. This is an inequality in access.
- Different groups report having different levels of satisfaction with the healthcare they receive. This is an inequality in experience.
- Different groups receiving the same treatment also have different recovery outcomes. This is an inequality in outcomes.

Local

The Rotherham Place Plan Reset: Assessment of Priorities (June 2021) has identified the following key priority:

MH/LD20: Develop at least one alternative crisis service to hospital admission.
