

This is a published notice on the Find a Tender service: <https://www.find-tender.service.gov.uk/Notice/026587-2021>

Planning

**The purpose of this notice is to invite the market to provide information and obtain multiple views across the market to help inform the potential future Project & Commercial Strategies for SSL-I. Further industry engagement will take place in 2021, details TBC. For the avoidance of doubt this notice is not a call to competition. Any responses, comments, indications of interest, participation or non-participation by any organisation at this stage will not influence the process, selection and/or award decision for a future possible procurement, nor will it be taken as a suppliers committed position. Limited information may be shared with MoD third parties for Subject Matter Expert advice where required.**

## **Section II: Object**

### **II.1) Title attributed to the contract by the contracting authority/entity:**

The purpose of this notice is to invite the market to provide information and obtain multiple views across the market to help inform the potential future Project & Commercial Strategies for SSL-I. Further industry engagement will take place in 2021, details TBC. For the avoidance of doubt this notice is not a call to competition. Any responses, comments, indications of interest, participation or non-participation by any organisation at this stage will not influence the process, selection and/or award decision for a future possible procurement, nor will it be taken as a suppliers committed position. Limited information may be shared with MoD third parties for Subject Matter Expert advice where required.

### **II.2) Type of contract and location of works, place of delivery or of performance**

Services

### **II.4) Short description of nature and scope of works or nature and quantity or value of supplies or services**

Strategic Sealift provides UK Ministry of Defence (MOD) with a capability to deploy cargo overseas from the UK in support of the UK's standing commitments and contingent operations. The current Sealift contract expires on 31 December 2024. A new project has been initiated by UK MOD, with the aim to provide a new contract for an interim period of minimum 5 years, to an updated user requirement. The full requirement will be released to the market as part of future engagements.

### **II.5) Common procurement vocabulary (CPV)**

- 60640000 - Shipping operations
