II.1.4) Short description

The purpose of this market engagement event is to gather market intelligence from organisations that can deliver training for specific Rail Skill areas to Network Rail employees in the areas listed, and to seek feedback on how best to structure the Framework, tender and potential call-offs to meet both the market's capability and Network Rail's requirements.

This is an opportunity for suppliers to feedback to Network Rail. Network Rail is seeking to put in place a framework for the delivery of Rail Skills training.

Rail skills are those required to enable our staff to work on and around Network Rail's live infrastructure. It is envisaged that the Framework will be divided into Lots but at this stage we do not know the structure or quantity of these. Please follow this link for further information and instructions
