II.2.4) Description of the procurement

whg is looking for a single partner contractor to deliver its planned programme of investment and component replacement to around 8,200 in the northern part of Walsall Borough, including the towns of Bloxwich and Willenhall. This will be under a JCT Measured Term Contract with a schedule of amendments.

The workstreams will potentially include the following, although whg reserves the right to add or remove individual workstreams

- Pitched & Flat roofing
- Kitchen replacements
- Bathroom replacements
- Floor coverings
- Painting and Decorating
- Environmental works
- Windows
- External Doors

- Passive Fire Protection
- Electrical Works
- Property Preservation
- Scaffolding services associated with core works
- Mechanical and Electrical Works Communal Areas
- Replacement heating systems including alternative heating sources
- Adaptations including bathrooms
- General Building Works
- Asbestos removal in association with Planned works

It is anticipated that the potential value of this Lot excluding VAT and inflation of the initial seven-year period is approximately £54.5m. The potential value with a three-year contract extension excluding VAT and inflation of the additional services is £82.7m.

The successful bidder will be expected to have a current annual turnover of at least £18m. They will also be expected to obtain the following insurances:

- Employer's Liability: £25m
- Public Liability: £25m
- Professional Indemnity: £5m
- Contractors' All Risks: £25m

Should a contract in respect of either of the other 2 Lots be terminated for any reason, whg reserves the right to issue the work for that Lot to one or both of the other partner contractors.

In the event of a new major project requirement emerging from Homes England or Health and Safety Executive Policy change or other legislative reason or another project requiring a design and construct approach during the lifetime of the contract which would require a change to the overall programme, whg reserves the right to pursue an alternative means of sourcing the works other than issuing to the contractor for the area or Lot affected. This may involve opening up the opportunity to all 3 partner contractors or conducting a separate procurement exercise outside of this contract.

Bidders must set out how their current supply chain is established. whg reserves the right to source 'big ticket' materials directly in order to maximise value for money and intends to adopt this approach in relation to the supply of kitchens.
