General public services

Section II: Object

II.1) Scope of the procurement

II.1.1) Title

In Situ Regen Road Recycling

Reference number

TW0024

II.1.2) Main CPV code

- 45233223 - Carriageway resurfacing works

II.1.3) Type of contract

Works

II.1.4) Short description

Fife Council is in the process of preparing a tender for a new framework focused on specialist road recycling services. This Prior Information Notice (PIN) relates to an upcoming opportunity for In Situ Road Recycling.

In-situ road recycling is an advanced resurfacing technique where the existing road surface is pulverised and mixed with new materials to form a durable subbase, followed by the application of a new surface layer. The Council is specifically seeking works for cold in-situ recycling, a process that can be executed using foam bitumen, cement, or, in rare cases, a combination of both. Hot recycling methods are not required under this tender.

II.1.5) Estimated total value

Value excluding VAT: £9,400,000

II.1.6) Information about lots

This contract is divided into lots: No

II.2) Description

II.2.2) Additional CPV code(s)

- 45233223 - Carriageway resurfacing works

II.2.3) Place of performance

NUTS codes

- UKM72 - Clackmannanshire and Fife

Main site or place of performance

Fife

II.2.4) Description of the procurement

Fife Council is in the process of preparing a tender for a new framework focused on specialist road recycling services. This Prior Information Notice (PIN) relates to an upcoming opportunity for In Situ Road Recycling.

In-situ road recycling is an advanced resurfacing technique where the existing road surface is pulverised and mixed with new materials to form a durable subbase, followed by the application of a new surface layer. The Council is specifically seeking works for cold in-situ recycling, a process that can be executed using foam bitumen, cement, or, in rare cases, a combination of both. Hot recycling methods are not required under this tender.

II.2.14) Additional information

Fife Council may require additional purchases under this contract which have not been specifically detailed in the "specification" however

any additional purchases will be in full accordance with the requirements of Regulation 72 of the Public Contract (Scotland) Regulations

2015.

II.3) Estimated date of publication of contract notice

22 January 2025
