**I.5) Main activity**

General public services

---

## **Section II: Object**

### **II.1) Scope of the procurement**

#### **II.1.1) Title**

In Situ Regen Road Recycling

Reference number

TW0024

#### **II.1.2) Main CPV code**

- 45233223 - Carriageway resurfacing works

#### **II.1.3) Type of contract**

Works

#### **II.1.4) Short description**

Fife Council is in the process of preparing a tender for a new framework focused on specialist road recycling services. This Prior Information Notice (PIN) relates to an upcoming opportunity for In Situ Road Recycling.

In-situ road recycling is an advanced resurfacing technique where the existing road surface is pulverised and mixed with new materials to form a durable subbase, followed by the application of a new surface layer. The Council is specifically seeking works for cold in-situ recycling, a process that can be executed using foam bitumen, cement, or, in rare cases, a combination of both. Hot recycling methods are not required under this tender.

#### **II.1.5) Estimated total value**

Value excluding VAT: £9,400,000

#### **II.1.6) Information about lots**

This contract is divided into lots: No

### **II.2) Description**

#### **II.2.2) Additional CPV code(s)**

- 45233223 - Carriageway resurfacing works

### **II.2.3) Place of performance**

NUTS codes

- UKM72 - Clackmannanshire and Fife

Main site or place of performance

Fife

### **II.2.4) Description of the procurement**

Fife Council is in the process of preparing a tender for a new framework focused on specialist road recycling services. This Prior Information Notice (PIN) relates to an upcoming opportunity for In Situ Road Recycling.

In-situ road recycling is an advanced resurfacing technique where the existing road surface is pulverised and mixed with new materials to form a durable subbase, followed by the application of a new surface layer. The Council is specifically seeking works for cold in-situ recycling, a process that can be executed using foam bitumen, cement, or, in rare cases, a combination of both. Hot recycling methods are not required under this tender.

#### **II.2.14) Additional information**

Fife Council may require additional purchases under this contract which have not been specifically detailed in the "specification" however

any additional purchases will be in full accordance with the requirements of Regulation 72 of the Public Contract (Scotland) Regulations

2015.

### **II.3) Estimated date of publication of contract notice**

22 January 2025

---
