- 50000000 - Repair and maintenance services

II.6) Scheduled date for start of award procedures and duration of the contract

Duration in months: 60 (from the award of the contract)

II.7) Additional information

Early Market Engagement

The Authority is interested in understanding the capabilities in the market to help inform the development of the requirements. Early Market Engagement will be conducted in two parts:

Supplier Briefs

Please provide a brief of up to 750 words detailing your support solutions along with a price list and any potential risk/ issues that the Authority should consider. Your brief should be addressed to Maia.Harris135@mod.gov.uk. Please provide your brief no later than 20 October 2023.

As a minimum, your brief should address the following aspects:

Questions:

1. How do you plan to support this equipment? i.e sub-contract vs support yourselves
2. What are the estimated delivery timescales from repairs?
3. What are the estimated costs for 6 monthly/annual servicing of these sorts of items?
4. Do you already support similar equipment or have done in the past?

DSEI 2023

There will be an opportunity to arrange a meet and greet representatives of the SEEC DT at DSEI in London on the 12 September 2023. Please contact Maia Harris to arrange a 15-minute meeting. Requests will be treated on a first come first serve basis due to the limited availability during DSEI not all requests may be able to be accommodated.

All information provided at this stage shall not be used by the Authority to down select but shall help inform the development of the requirement and contracting strategy only.

Section VI: Complementary information

VI.2) Additional information

The Contracting Authority intends to use an e-Tendering system in this procurement exercise, please visit www.contracts.mod.uk for full details and to register your interest in this procurement.
