II.1.4) Short description

The NHS Counter Fraud Authority is undertaking the development of a new Workforce Intranet and Engagement Platform. This initiative is set to replace the existing internal intranet system (Go2) and our external stakeholder platform (NGAGE). The project aims to modernise these platforms to better meet the evolving operational demands and digital needs.

This market engagement exercise seeks the views and opinions of those organisations that may be interested in delivering the Service.

This exercise and any subsequent responses are in no way legally binding on any party.

Participation in the engagement exercise is not a mandatory requirement for participating in any potential future procurement; however, responses received will assist to inform the Contracting Authority as to the level of interest from the market and will be used to evidence a decision as to whether or not to undertake a competitive procurement.

The Market Engagement Questionnaire and Service Specification can be downloaded from SAP Ariba Portal at the below link:
