Regional or local authority

I.5) Main activity

General public services

Section II: Object

II.1) Scope of the procurement

II.1.1) Title

Acquisition & Conversion of HGVs & Specialist Vehicles including Waste Skips, Containers, and Bins

Reference number

NEPO224

II.1.2) Main CPV code

- 34140000 - Heavy-duty motor vehicles

II.1.3) Type of contract

Supplies

II.1.4) Short description

The Association of North East Councils trading as the North East Procurement Organisation (NEPO) in partnership with The Procurement Partnership Ltd (TPPL) is seeking to establish a multi-supplier, multi-lot Framework Agreement for the

Acquisition and Conversion of Heavy Goods and Specialist Vehicles with Waste skips, containers and bins for use by contracting authorities throughout the United Kingdom.

NEPO intends to publish an Invitation to Tender via the Open eTendering system. Suppliers wishing to be considered for this Framework Agreement must register their expression of interest and submit a tender through the NEPO eTendering system. If not

already registered, candidates should register on the Open eTender system at <https://www.nepo.org/open>

Tenders must be submitted using the link above. Tenders submitted via post or email methods will not be accepted.

Guidance for how to create an account, search for opportunities and respond is included within the Supplier's hub. If you require further support please email open.support@nepo.org

II.1.5) Estimated total value

Value excluding VAT: £1,100,000,000

II.1.6) Information about lots

This contract is divided into lots: Yes

Tenders may be submitted for all lots

II.2) Description

II.2.1) Title

Vehicle Chassis up to 44t

Lot No

1

II.2.2) Additional CPV code(s)

- 34139000 - Chassis

II.2.3) Place of performance

NUTS codes

- UK - United Kingdom

II.2.4) Description of the procurement

Chassis supplied to be both converted and unconverted operating on Petrol, Diesel, Hybrid, Electric, LPG (liquid petroleum gas), Hydrogen and Bio fuels.

This Lot is for the purchase of either unconverted chassis or converted chassis from the Original Equipment Manufacturer (OEM), who can supply direct, or via any of their franchise dealerships.

Chassis to be supplied under this Lot include day and sleeper cabs of various wheelbases that are acceptable for conversion with body types including but not limited to: tippers, dropside, flat, beavertail, curtain-side, box, Luton, refuse collection, bin lifts and recycling

bodies, gritter, snowplough and auger spreaders, tanker, gully emptier, aerial platforms, hook loader, waste containers and any other demountable body systems that may be required, jetter, cranes, mobile library and offices, vehicle and plant recovery, street lighting and highway maintenance bodies, and any other body type an Member may require. The Lot will also include the options to offer spare parts and maintenance contract services.

If a converted vehicle is required under this Lot, the convertor may either be nominated by the Member or the OEM will use their preferred convertor. For clarity, purchases from this Lot will be made from OEMs of chassis (unconverted/converted) that have been appointed to the framework in this Lot.

Within Lot 1, Members can nominate their preferred convertor(s) for use by the successful OEM manufacturers/franchise dealer when supplying converted vehicle chassis. In these circumstances, the OEM manufacturer or OEM nominated franchise dealership is liable for the vehicle(s) ordered until delivered and signed for by the Member. For clarity, for all purchases made within Lot 1 the invoice and contractual relationship remains between the Member and the successful OEM manufacturer or the OEM nominated franchise dealership.

II.2.5) Award criteria

Price is not the only award criterion and all criteria are stated only in the procurement documents

II.2.7) Duration of the contract, framework agreement or dynamic purchasing system

Duration in months

72

This contract is subject to renewal

Yes

Description of renewals

This Framework will be subject to future renewals.

II.2.10) Information about variants

Variants will be accepted: No

II.2.11) Information about options

Options: No

II.2) Description

II.2.1) Title

Refuse collection conversions up to 44t

Lot No

2

II.2.2) Additional CPV code(s)

- 34144511 - Refuse-collection vehicles

II.2.3) Place of performance

NUTS codes

- UK - United Kingdom

II.2.4) Description of the procurement

This Lot is for the purchase of chassis converted to the purpose of refuse collection. Fuel types to include, but are not limited to, Petrol, Diesel, Hybrid, Electric, LPG (liquid petroleum gas), Hydrogen and Bio fuels. Members can if they choose to, nominate a preferred chassis for conversion. Alternatively, where the Member owns an existing chassis, they can pay for the body only for the purpose of mounting on an existing chassis. Convertors can make available for sale ex-demonstration vehicles to Members within this Lot.

Body type conversions to include but not limited to: Refuse collection, bin lifts, food waste collection, and recycling bodies

Within Lot 2, Members can nominate their preferred chassis for use by the successful vehicle convertor when supplying body type conversions. In these circumstances, the vehicle convertor is liable for the vehicle(s) ordered until delivered and signed for by the Member. For clarity, for all purchases made within Lot 2 the invoice and contractual relationship remains between the Member and the successful vehicle convertor.

II.2.5) Award criteria

Price is not the only award criterion and all criteria are stated only in the procurement documents

II.2.7) Duration of the contract, framework agreement or dynamic purchasing system

Duration in months

72

This contract is subject to renewal

Yes

Description of renewals

This Framework will be subject to future renewals.

II.2.10) Information about variants

Variants will be accepted: No

II.2.11) Information about options

Options: No

II.2) Description

II.2.1) Title

Sweeper conversions up to 44t

Lot No

3

II.2.2) Additional CPV code(s)

- 34921100 - Road sweepers

II.2.3) Place of performance

NUTS codes

- UK - United Kingdom

II.2.4) Description of the procurement

This Lot is for the purchase of chassis converted to Sweepers, including pedestrian, sub-compact, compact, mid-size and truck-mounted Sweepers. Fuel types to include, but are not limited to, Petrol, Diesel, Hybrid, Electric, LPG (liquid petroleum gas), Hydrogen and

Bio fuels. Members can if they choose to, nominate a preferred chassis for conversion. Alternatively, where the Member owns an existing chassis, they can pay for the body only for the purpose of mounting on an existing chassis. Convertors can make available for sale ex-demonstration vehicles to Members within this Lot.

Body type conversions to include but not limited to: Pedestrian, sub-compact, compact, mid-size and truck-mounted sweepers.

Within Lot 3, Members can nominate their preferred chassis for use by the successful vehicle convertor when supplying body type conversions. In these circumstances, the vehicle convertor is liable for the vehicle(s) ordered until delivered and signed for by the Member. For clarity, for all purchases made within Lot 3 the invoice and contractual relationship remains between the Member and the successful vehicle convertor.

II.2.5) Award criteria

Price is not the only award criterion and all criteria are stated only in the procurement documents

II.2.7) Duration of the contract, framework agreement or dynamic purchasing system

Duration in months

72

This contract is subject to renewal

Yes

Description of renewals

This Framework will be subject to future renewals.

II.2.10) Information about variants

Variants will be accepted: No

II.2.11) Information about options

Options: No

II.2) Description

II.2.1) Title

Winter maintenance conversions up to 44t

Lot No

4

II.2.2) Additional CPV code(s)

- 34143000 - Winter-maintenance vehicles

II.2.3) Place of performance

NUTS codes

- UK - United Kingdom

II.2.4) Description of the procurement

This Lot is for the purchase of chassis converted to winter maintenance activities. Fuel types to include, but are not limited to, Petrol, Diesel, Hybrid, Electric, LPG (liquid petroleum gas), Hydrogen and Bio fuels. Members can if they choose to, nominate a preferred chassis for conversion. Alternatively, where the Member owns an existing chassis, they can pay for the body only for the purpose of mounting on an existing chassis. Convertors can make available for sale ex-demonstration vehicles to Members within this Lot.

Body type conversions to include but not limited to: quick change/demountable body systems, gritters, snowploughs, auger spreaders, liquid de-icers, trailed gritters, compact gritters, and multi-purpose bodies.

Within Lot 4, Members can nominate their preferred chassis for use by the successful vehicle convertor when supplying body type conversions. In these circumstances, the vehicle convertor is liable for the vehicle(s) ordered until delivered and signed for by the Member. For clarity, for all purchases made within Lot 4 the invoice and contractual relationship remains between the Member and the successful vehicle convertor.

II.2.5) Award criteria

Price is not the only award criterion and all criteria are stated only in the procurement documents

II.2.7) Duration of the contract, framework agreement or dynamic purchasing system

Duration in months

72

This contract is subject to renewal

Yes

Description of renewals

This Framework will be subject to future renewals.

II.2.10) Information about variants

Variants will be accepted: No
