### II.2.4) Description of the procurement

The scope of the proposed Contract is the provision of Domestic & Commercial Gas & Heating Servicing, Installation and Maintenance Services to Christian Action properties.

There are approximately 857 domestic gas heating systems (with individual boilers or warm air units), 19 air source heat pump systems and 18 commercial heating plant rooms (serving around 450 properties). There will also be a number of unvented cylinders within the housing stock and the Successful Bidder will be required to support the Employer in improving its asset information for these appliances.

The Successful Bidder will be required to service and safety check the heating equipment and provide a fully comprehensive (3 star) repairs service to all domestic gas properties, including those that have no gas but are fed from the communal heating systems. Additionally, the Successful Bidder will be required to deliver around 65-70 boiler replacements on a planned and reactive basis each year (although this figure is due to fluctuate based on budget availability).

Full details of the Services for to be provided under the Contract are contained in the Specification set out at Appendix 1 of this ITT. The Successful Bidder will be required to comply with the Specification in providing the Services.

A single Contractor is required to deliver the entire Contract.

#### II.2.5) Award criteria

Price is not the only award criterion and all criteria are stated only in the procurement documents

#### II.2.7) Duration of the contract, framework agreement or dynamic purchasing system

Duration in months

60

This contract is subject to renewal

No

### II.2.10) Information about variants

Variants will be accepted: No

#### II.2.11) Information about options

Options: Yes

Description of options

It is envisaged that the Contract will last for an initial period of 5 years, with an option to extend at Christian Action's sole discretion for up 3 additional years, giving a maximum potential term of 8 years.

### II.2.13) Information about European Union Funds

The procurement is related to a project and/or programme financed by European Union funds: No

## VI.4) Procedures for review

#### VI.4.1) Review body

The High Court of England and Wales

London

Country

**United Kingdom** 

### VI.4.3) Review procedure

Precise information on deadline(s) for review procedures

The Contracting Authority will enter into this contract following a minimum 10 day calendar day standstill period starting on the day after the notification of the result. The Public Contracts Regulations 2015 (SI 2015/102) (as amended) (the Regulations) provide for aggrieved parties who have been harmed or who are at risk of harm by a breach of the Regulations to bring proceedings in the High Court. Any such proceedings must be brought within the limitation period specified by the Regulations according to the remedy sought.
