Babcock Land Defence Limited, Acting as Agent on behalf of the UK MOD, intends to initiate a Restricted Competitive procurement for a 36 month (3 year) contract including a further 24 month (2 year) option periods for the repair of Engines, Engine Groups, Power Packs and Associated Assemblies. This Restricted Competitive Procurement includes but is not limited to the Articles detailed within the lotting strategy published within the Contract Notice and PQQ on the Defence Sourcing Portal (DSP) at <http://www.contracts.mod>

The Authority platforms in scope of this requirement are Bulldog, Viking, Beach Recovery Vehicle, BV206, AS90, Pinzgauer, Jackal, Panther, Land Rover and Quad Bike.

Prospective contractors are required to hold Quality Management System certification to ISO9001:2015 or suitable alternative, with the appropriate scope to deliver contract requirements, issued by a Nationally Accredited Certification Body. You will be required to provide a copy of the certificate(s) as directed by any Dynamic Pre-Qualification Questionnaire (DPQQ) or Invitation to Tender (ITT) associated with this Notice, and in any event, the winning supplier will be required to provide it for review prior to contract award. The contractual condition for quality will be Allied Quality Assurance Publication (AQAP) 2110.

The successful contractor(s) will be required to supply all spares/components necessary to the OEM specification in order to undertake the repair/remanufacturing process. Successful

contractor(s) will be expected to arrange the subsequent packaging to appropriate Military Packing Levels as defined by the Authority within any resultant contract using an MPAS accredited provider and deliver articles to the Authority post completion of remanufacture.

Babcock Land Defence Limited reserve the right to add further items of a similar nature to the contract post award. The successful contractor(s) will be required to overhaul/repair Articles to OEM specifications with an accompanying Certificate of Conformance detailing results of any applicable output tests.

The Authority is unable to provide drawings and/or associated specifications as part of any eventual Invitation to Tender (ITT).

To respond to this opportunity suppliers must read through this notice and complete the associated Pre-Qualification Questionnaire (PQQ). The PQQ shall be assessed using the selection criteria given within the PQQ and within each question. It is the intention of the Authority to down select and Invite to Tender only those economic operators who successfully complete the PQQ, provide all mandatory information and are not subject to any mandatory exclusion.

Risk Assessment Ref: RAR- 686399458

The requirement will be lotted by platform and it is the Authority's intention to award a framework agreement to the successful Tenderer for each lot based upon the relevant Tender responses.

Estimated value excluding VAT:

Range: between £21,000,000 and £30,790,000
