Section IV. Procedure

IV.1) Description

IV.1.1) Type of procedure

Award of a contract without prior publication of a call for competition in the cases listed below

- The procurement falls outside the scope of application of the regulations

Explanation:

The contract to be entered into by the awarding body is for the sale of land for development purposes and the procurement of the contract for works and services which forms the subject

matter of this notice and which are to be required as a necessary consequence of the disposal of the land to the purchaser. The proposed cost of works and services has been reviewed and

estimated at less than the financial threshold (£4,733,252), above which it is necessary to publish a call for competition as applicable, in accordance with Regulation 6(7), when the School as contracting authority commenced the procurement procedure.

As such, the awarding body does not consider the contract to be subject to the Regulations.

IV.1.8) Information about the Government Procurement Agreement (GPA)

The procurement is covered by the Government Procurement Agreement: No
