II.2.4) Description of the procurement

East Sussex Fire Authority (ESFA) is seeking to award, on behalf of East Sussex Fire and Rescue Service a contract for the provision of vehicle mounted camera recording systems in our fleet of vehicles. This is a collaborative requirement with our sister service in West Sussex to ensure we have the same systems installed, and West Sussex Fire Authority may be seeking to use the outcome of this competition to consider awarding their own contract on behalf of West Sussex Fire and Rescue Service.

While we believe neither individual requirement will breach the threshold, as this is being run on behalf of both services, as a possible joint requirement the value of both together is likely to. As a result, this tender will be conducted following an Open above Threshold Procedure.

Most vehicles will require front and rearward recording only, while about one third of the

fleet will require 360 degree coverage.

Tender will be managed via the EU Supply Portal – <https://bluelight.eu-supply.com>.
