II.1.4) Short description

Bracknell Forest Council are undertaking some soft market testing regarding sensory needs services supporting people with visual, hearing or dual sensory impairments. We would like to hear from providers of ROVI assessments, deafblind assessments, rehabilitation/training, communication support and community guiding services to understand key areas of interest and identify any challenges or opportunities in the market at present.

This exercise will include the opportunity for the Council to share tentative plans for the future of these services, outline the tender process, and rough timescales for procurement as well as to offer providers the chance to ask any questions they may have.

We have collated an information pack for interested providers which is attached to this notice and it is recommended that providers familiarise themselves with this information before answering the questions.

This is not a call for competition
