I.5) Main activity

Housing and community amenities

Section II: Object

II.1) Scope of the procurement

II.1.1) Title

Tulse Hill Joint Venture Development Project

II.1.2) Main CPV code

- 45000000 - Construction work

II.1.3) Type of contract

Works

II.1.4) Short description

The Project is the carrying out of a mixed tenure housing development on the Site on the North West side of

Avenue Park Road through a joint venture arrangement. Subject to detailed design / planning, it is anticipated

that the development will comprise the construction of 110 new homes (tenure mix to be confirmed), 494 sqm commercial space floor space, and required infrastructure works.

II.1.6) Information about lots

This contract is divided into lots: No

II.1.7) Total value of the procurement (excluding VAT)

Value excluding VAT: £27,210,000

II.2) Description

II.2.3) Place of performance

NUTS codes

- UKI - London

Main site or place of performance

Land and buildings on the North West side of Avenue Park Road, Tulse Hill, London

II.2.4) Description of the procurement

The Project is the carrying out of a mixed tenure housing development on the Site on the North West side of

Avenue Park Road through a joint venture arrangement. Subject to detailed design / planning, it is anticipated

that the development will comprise the construction of 110 new homes (tenure mix to be confirmed), 494 sqm commercial space floor space, and required infrastructure works.

The joint venture contractual arrangements between the parties will be structured as follows:

(i) Metropolitan Living Limited (MLL) (an entity within the same group as Metropolitan Housing Trust (MHT) and

Mount Anvil Avenue Park Road Limited will form a joint venture entity (the "LLP") on a 50/50 basis pursuant to the

terms of an LLP Agreement;

(ii) MHT will transfer a long leasehold interest in the Site to the LLP;

(iii) The LLP will award a Construction Contract to Mount Anvil Limited for the carrying out of the construction

works on the Site. The construction works will consist of the construction of the affordable and private sale units,

the commercial floorspace and required infrastructure works

(iv) The LLP will enter into a Development Management Agreement (DMA) with Mount Anvil (Development

Management) Limited. Under the DMA Mount Anvil (Development Management) Limited will be providing pre-

construction services, technical advice and project management of the detailed construction design, preparation

of the business plan and project programme and all required reporting requirements to the LLP. It will also

be providing administrative, corporate and financial services to the LLP including all required taxation, audit,

accounting and payment requirements.

(v) The LLP will sell the private units that are constructed on the Site on the open market; and

(vi) MHT will enter into an Affordable Housing Development Agreement with the LLP for the delivery of the

affordable housing units that are constructed on the Site. The affordable units will be retained by MHT following

completion.

It is anticipated that the LLP will be formed in the second half of 2021. In this Notice this entity shall be referred

to as The LLP.

II.2.11) Information about options

Options: No

Section IV. Procedure

IV.1) Description

IV.1.1) Type of procedure

Award of a contract without prior publication of a call for competition in the cases listed below

- The procurement falls outside the scope of application of the regulations

Explanation:

The Contracting Authorities consider that the contractual arrangements referred to in section II.2.4 of this Notice

fall outside the scope of the Public Contracts Regulations 2015 (PCR) for the following reasons:

1. The LLP Agreement is an agreement for the establishment, governance and operation of the LLP. It is not a

works, services or supply contract for the purposes of the PCR, hence it falls outside of their scope.

2. The Site Transfer Agreement is an agreement for the disposal of an interest in land, and so is excluded from

the scope of the PCR by virtue of Regulation 10(1)(a) of the PCR. It will not place the LLP under a positive and

enforceable obligation to develop the Site to a specification prescribed by MHT.

3. The Construction Contract and DMA to be awarded by the LLP fall outside the scope of the PCR because the

LLP will not meet the definition of a "body governed by public law" in Regulation 2(1) of the PCR nor, therefore,

will it be classified as a "contracting authority" for the purposes of the PCR. This is due to the fact that the LLP

will have a commercial character on account of it being a "for profit" entity with general

commercial objects

which exists for the predominant purpose of maximising profits from the development activities it undertakes.

4. The Affordable Housing Development Agreement is to be awarded by MHT to the LLP pursuant to Regulation

32(2)(b)(iii) of the PCR. Due to an exclusive right which the LLP will have at the point of award of the Agreement

(being its ownership of the Site) MHT will only be able to appoint the LLP to deliver the affordable units for it. It

will not be in position to procure the delivery of the affordable housing units from any other party.
