Community benefits are included in this requirement. For more information see:

<https://www.gov.scot/policies/public-sector-procurement/community-benefits-in-procurement/>

A summary of the expected community benefits has been provided as follows:

Contractors are advised to prioritize addressing Community Needs listed within the Community Benefit Gateway when proposing their community benefits and this must be documented in your response. If your bid is successful, you will be required to undertake the work listed on the Community Benefit Gateway.

If no suitable Community Needs are advertised on the Community Benefit Gateway for NHS Highland, contractors must summarize any proposed Community Benefits to be developed and delivered as part of this contract if successful. Your Community Benefits proposal should identify ways to improve the economic, social, and environmental wellbeing, as well as assist in reducing health inequalities across NHS Highland's Health Board.

OR

If you cannot propose any Community Benefits as part of this contract, please specify the reason.
