Section II: Object

II.1) Scope of the procurement

II.1.1) Title

Assessing the way systems engage with people - Research 15

Reference number

CQC EP&S 046

II.1.2) Main CPV code

- 79315000 - Social research services

II.1.3) Type of contract

Services

II.1.4) Short description

CQC would like to commission a new research project to explore effective methods for assessing how systems of health and care (Integrated Care Systems (ICS), as well as Local Authorities (LA)) are involving the people who live in their local area to understand their needs for and experience of care in a way that leads to improved outcomes.

The research project is part of CQC's research programme. More information about the programme can be found on our website: Working with us on research - Care Quality Commission ([cqc.org.uk](https://www.cqc.org.uk))

We will be running a virtual market engagement session for potential suppliers with interest in this project on the following date:

- Friday 29th September, 15.00-16.00
