- 77314000 - Grounds maintenance services

II.2.3) Place of performance

NUTS codes

- UKH3 - Essex

Main site or place of performance

Essex

II.2.4) Description of the procurement

Epping Forest District Council has a responsibility to maintain watercourses and related

assets including four flood storage areas. The Council also provides an out-of-hours flooding emergency response service. The successful Contractor will be required to hold a stock of 1000 pre-filled sandbags and to provide a 24-hour emergency attendance service, 365 days a year.

The contract contains both routine and non-routine works. Routine works comprises of, but not limited to, general clearance of debris and silt; removal of vegetation; watercourse re-grading; jetting/rodding of piped watercourses; and annual maintenance of mechanical components. Non-routine works comprises of, but not limited to, headwall construction and other small retaining wall and embankment strengthening works; supply and installation of precast concrete culverts, manholes, silt traps, inlets and grilles; general lopping or removal of trees; repair of wooden and metal railings; grass cutting and surveying.

Routine works on average make up 65% annually, whilst non-routine works on average make up 35% annually. These percentages may fluctuate given the number and magnitude of any flooding events throughout the life of the contract. No level of expenditure is guaranteed by the Council.
