II.1.4) Short description

This VEAT notice is being issued to confirm NGN's requirement for extension of our current contract with SAP Concur for a 5 year period. A contract renewal will be put in place with SAP. SAP Concur allows our workforce to administer travel and expense claims which has been successfully utilised across the business. This system offers a slick claims process with a quick approval turnaround which allows staff to be reimbursed their expenses really efficiently. Although it is possible to consider other vendors, NGN would need to deploy and integrate a brand new solution and re-train all users, at significant cost. This extension also compliments our 5 year SAP contract.
