II.1.1) Title

Port of Dover Operational Maintenance & Compliance

II.1.2) Main CPV code

- 45000000 - Construction work

II.1.3) Type of contract

Works

II.1.4) Short description

Dover Harbour Board is in the process of developing its approach to the future procurement strategy for operational maintenance and compliance works within the Port of Dover. This RFI is seeking to understand different contracting and delivery models for the provision of maintenance, reactive and pre planned maintenance works in an operational environment.

Dover Harbour Board, a Statutory Corporation, is the owner and operator of the Port of Dover, one of the busiest international ferry ports in the world and the second busiest UK cruise port.

The core business is the accommodation of the roll-on/roll-off ferry activity on the short sea route to Calais, France, however other commercial activities are conducted, including cruise, cargo, marina and residential.

Trade at the Port consists of freight and tourist vehicles, ferry and cruise passengers, conventional deep sea cargos and aggregate. The Port is open 24/7 on every day of the year except Christmas day.

II.1.6) Information about lots

This contract is divided into lots: Yes

Maximum number of lots that may be awarded to one tenderer: 2

The contracting authority reserves the right to award contracts combining the following lots or groups of lots:

Lot 1 - Building Services (Mechanical & Electrical/Minor Building Works)
