Scope

Description

London Borough of Hillingdon

Service: Collection, Sorting, Processing and Sale of Commingled Dry Mixed Recycling

The London Borough of Hillingdon intends to procure a service for the collection, sorting, processing, and sale of commingled dry mixed recycling. This service will include the collection of recyclable materials from the Council's designated transfer station, the sorting and processing of these materials to a high standard, and their subsequent sale on the open market.

The Council seeks to establish a long-term partnership with a supplier who can deliver operational efficiency, value for money, and contract development over time.

The contract will be for an initial period of 3 years, with the option to extend for two further periods of 2 years each, making a maximum duration of 7 years.

We would encourage all interested parties to register for free at

Engagement process description

The London Borough of Hillingdon intends to procure a service for the collection, sorting, processing, and sale of commingled dry mixed recycling. This service will include the collection of recyclable materials from the Council's designated transfer station, the sorting and processing of these materials to a high standard, and their subsequent sale on the open market.

The primary objective of this contract is to ensure a high-quality material output that enhances the value and marketability of recyclables, while maximising both environmental and economic benefits. The successful contractor will be expected to demonstrate a strong commitment to sustainability, innovation, and continuous improvement throughout the contract term.

Hillingdon is therefore inviting interested suppliers to participate in a pre-market engagement exercise.

To register your interest in attending a meeting, please email jgasparette@hillingsdon.gov.uk with the subject line:

'Pre-Market Engagement - LBH - Recycling Services'

by 13:00 on 18 June 2025.

Meetings will be scheduled between 23 June and 27 June 2025, and each session will last no more than 30 minutes per supplier. All meetings will be held via Microsoft Teams.

This engagement session will provide suppliers with an overview of the proposed service model and requirements, while offering an opportunity to provide feedback and suggestions. The aim is to ensure that the final approach is clear, achievable, and aligned with Hillingdon's objectives.
