VII.2) Other additional information

The basis on which the market engagement exercise is carried out is as follows: BDS is requesting feedback and whilst the views from the market sector are important, BDS may choose not to consider or implement any or all of the suggestions made through this process. If beneficial, BDS may also undertake further related market engagement in the future as refinement of the approach continues. All information provided on BDS's current thinking as part of the market engagement exercise (including th
