#### II.1.4) Short description

Cumbria County Council ("the Council") is seeking to appoint a Consultant to undertake scheme development and design to support the Council's developing pipeline of cycling and

walking improvements.

The Council has developed Local Cycling and Walking Infrastructure Plans (LCWIPs) for Barrow-in-Furness, Kendal and Penrith and requires costed concept designs for schemes within eight corridors and one core walking zone, as prioritised in the LCWIPs.

In addition, the Council requires technical support to develop an Ulverston Cycling and Walking Network Plan, along with an active travel project proposal to inform the next

of development for the Ulverston Place Plan. This will include the identification and options

assessment of improvements to produce a cycling and walking network for the town. The

network planning will then be used to develop costed concept designs for an active travel project.
