Section IV. Procedure

IV.1) Description

IV.1.1) Type of procedure

Award of a contract without prior publication of a call for competition in the cases listed below

- Additional deliveries by the original supplier

Explanation:

Regulation 32(5)(b) permits the use of the negotiated procedure without prior publication for public supply contracts for additional deliveries by the original supplier, where a change of supplier would oblige the contracting authority to acquire supplies having different technical characteristics which would result in incompatibility or disproportionate technical difficulties in operation and maintenance.

The Northern Trust requires the purchase of Etanercept (Enbrel) which are required for continuity of care of a patient. A change in product is not clinically recommended and may compromise patient treatment.
