https://www.publiccontractsscotland.gov.uk/search/Search_AuthProfile.aspx?ID=AA00307

I.2) Information about joint procurement

The contract is awarded by a central purchasing body

I.4) Type of the contracting authority

Body governed by public law

I.5) Main activity

Education

Section II: Object

II.1) Scope of the procurement

II.1.1) Title

Development of online academic courses

Reference number

HWU-UK-2122-065

II.1.2) Main CPV code

- 80300000 - Higher education services

II.1.3) Type of contract

Services

II.1.4) Short description

Heriot-Watt University seek to establish a multi-lot framework agreement for the development of online academic content. Suppliers will require to develop online resources focussed on learning content designed to integrate with course specific teaching.

II.1.6) Information about lots

This contract is divided into lots: Yes

II.1.7) Total value of the procurement (excluding VAT)

Lowest offer: £57,555 / Highest offer: £125,617 taken into consideration

II.2) Description

II.2.1) Title

Development of on demand online academic courses

Lot No

2

II.2.2) Additional CPV code(s)

- 80300000 - Higher education services

II.2.3) Place of performance

NUTS codes

- UKM75 - Edinburgh, City of

II.2.4) Description of the procurement

Online course development services across a fixed period. The development work may

include subject matter expertise for the creation of online course content. Learning design for the creation of effective online learning opportunities appropriate to the target students.

Learning design work will be in collaboration with subject matter experts appointed by either Heriot-Watt University staff or by the supplier. Media development, both graphic designs for online page enhancement, and video or audio recordings to enhance the quality of teaching content.

Workload will be provided in an 'on demand' basis, when workload is outside the capacity of the internal team of designers at Heriot-Watt Online therefore the exact number of developments cannot be defined at this time.

Workload will often, though not exclusively, involve the development of full courses of fifteen academic credits. Heriot-Watt University will provide academic and learning design quality assurance on each course development.

II.2.5) Award criteria

Quality criterion - Name: Technical / Weighting: 80

Cost criterion - Name: Commercial / Weighting: 20

II.2.11) Information about options

Options: No

II.2.13) Information about European Union Funds

Development of online academic courses which constitute a full Graduate Apprenticeship Degree in Data Science.

Lot No

1

II.2.2) Additional CPV code(s)

- 80300000 - Higher education services

II.2.3) Place of performance

NUTS codes

- UKM75 - Edinburgh, City of

II.2.4) Description of the procurement

Development of twenty-six courses over a four-year period, that constitute a full Graduate Apprenticeship Degree in Data Science. All courses shall be fifteen credits and will be delivered as hybrid. Online resources developed as part of this requirement will be focussed on learning content.

Asynchronous online content must be designed to integrate with course-specific live teaching which may be face-to-face or virtual. Subject matter expertise will be provided by Heriot Watt University Academics.

The supplier will provide learning design, media design (video and graphic) and will manage the course development process, including reporting out to Heriot-Watt University stakeholders and facilitating collaborative quality assurance activities.

Courses do not pre-exist in any format, other than validated programme and course specifications which include learning outcomes and assessment methods. On time delivery of course development shall be critical to ensure courses are ready at point of delivery to students.

II.2.5) Award criteria

Quality criterion - Name: Technical / Weighting: 80

Cost criterion - Name: Commercial / Weighting: 20

II.2.11) Information about options

Options: No
