Scope

Description

The Council will be seeking suitably qualified contractors to provide a reactive roofing repairs service to its Housing and Corporate properties. The roofs to these properties are generally pitched or flat, have a variety of coverings and are in various conditions of repair.

Whilst the services required by Hillingdon are primarily roofing repairs, works to guttering, downpipes, fascia's, soffits, chimneys and roof windows will also be required. To that end scaffolding services and elements of plumbing, carpentry, brickwork are also involved.

Interested parties are asked to register with the Councils nominated tendering portal using the link below where the relevant opportunity will be published when the time comes.
