- 72266000 - Software consultancy services

II.2.3) Place of performance

NUTS codes

- UK - United Kingdom

Main site or place of performance

UNITED KINGDOM

II.2.4) Description of the procurement

We are seeking to appoint a contractor to provide a data collection system to improve and replace our current NROSH+ application. The contractor will be required to develop, test, deploy, host, support and maintain the replacement data collection system, which will be used by the organisation to meet our existing and potential future data requirements, allowing us to fulfil our role as a regulatory body in the most effective manner. The value of the procurement is based on the system development and the length of a support contract, anticipated as 5 years in total.

This PIN acts as an advanced warning to the market that we expect to issue a contract notice in relation to this procurement in November 2021.

II.2.14) Additional information

Please note, this PIN is not a call for competition but notification that we intend to commence early market engagement. If you are interested in participating in this market engagement, please complete the following survey:-

<https://forms.office.com/r/YC5cKSkh67>

II.3) Estimated date of publication of contract notice

19 November 2021

Section IV. Procedure

IV.1) Description

IV.1.8) Information about the Government Procurement Agreement (GPA)

The procurement is covered by the Government Procurement Agreement: Yes

Section VI. Complementary information

VI.3) Additional information

Please do not contact the authority directly in relation to this pre-market engagement, all information can be found by reviewing the documents held on delta at the address following.
