II.2.4) Description of the procurement

Due to the regulator's expanded remit in April 2024, the organisation now has a need for a dynamic, modern and intuitive recruitment management system. The solution will service internal staff from a candidate management perspective and also external applicants will be able to submit their applications via this system. The delivery of a recruitment management system is part of our overall HR systems strategic objectives. This procurement will likely be conducted via a competitive, under threshold procurement procedure, to replace an existing system. This PIN acts as an advanced notification to the market that we expect to issue a contract notice in relation to this procurement in October 2024 .
