## VII.2) Information about modifications

#### VII.2.1) Description of the modifications

Nature and extent of the modifications (with indication of possible earlier changes to the contract):

£2,700,000 was the original awarded value. A previous modification was made to revise this figure to £3,000,000 (and to modify the contract length to 25 months). The modification value is therefore £270,000.

#### VII.2.2) Reasons for modification

Need for modification brought about by circumstances which a diligent contracting authority/entity could not foresee.

Description of the circumstances which rendered the modification necessary and explanation of the unforeseen nature of these circumstances:

This modification is required to support the drilling phase of the project, to cover the additional costs incurred due to a lack of knowledge of the subsurface and costs that have occurred as a result of meeting planning conditions. It also covers the need to for DfE to obtain reports and costings for the next stages of the project.

#### VII.2.3) Increase in price

Updated total contract value before the modifications (taking into account possible earlier contract modifications, price adaptions and average inflation)

Value excluding VAT: £3,000,000

Total contract value after the modifications

Value excluding VAT: £3,270,000
