II.2.4) Description of the procurement

Slough Borough Council ('the Council')'s Community Mental Health Team are seeking to engage the with the market to help design and procure a care and support rehabilitation service for people with complex mental health needs. The Council intends to engage with the market to seek the views of providers that may be interested in delivering the service and to use providers' views in the development of the specification. The model will be based on rehabilitation and recovery focus with move on support provided when client to step down. The market engagement event will take place on the Tuesday 3rd October 2023 from 1.30 pm to 4.00 pm. We will be holding a virtual market engagement event via MS Teams. Numbers will be limited to 2 representatives per organisation. Providers are asked to confirm their attendance. Places will be booked on a first come first served basis. The Council will endeavour to arrange an additional session if required to do so. A lack of interest in responding to this invitation may be taken as evidence by the Council that a competitive process may not be required. Providers interested in delivering the service are advised to contact Ashfaq Hussain, Ashfaq.Hussain@slough.gov.uk to register your attendance, booking confirmation and MS Team login details.
