Defence Digital Networks Commercial – Strategic Services (Radios), part of the UK Ministry of Defence (MoD), intends to issue an Invitation to Negotiate single source procurement with the aim to award a contract to Airbus Defence & Space Ltd for the duration of 5 years (with annual break points after year 3). This service will maintain and sustain the current assets which are owned by Airbus Defence & Space Ltd. Maintenance and sustainment activities will include spares, repair, obsolescence management, and the ongoing training of MoD personnel for the existing FARSIGHT system. As the Ministry of Defence does not own the solution and assets, it does not have the authority to allow another supplier to maintain and sustain the system.

It is important to note, that delivery in theatre creates, specific, environmental and logistical constraints. Such that to sustain and maintain services on the Falkland island can require a period of 3 years to allow for inspection, design, build, test and commission, within favourable weather windows.

In accordance with the provisions of The Public Procurement (Amendment etc.) (EU Exit) Regulations 2020 SI No. 2020/1319, this procurement falls to be regulated under the provisions of the Defence Security Public Contracts Regulations 2011. It is considered that the award of the contract without prior publication of a contract notice in the UK e-notification service (as required by the relevant legislation) is lawful in accordance with regulation 16(1)(a)(ii) of the DSPCR 2011 because competition is absent for technical reasons. Equipment and Intellectual Property Rights of the current solution are owned by Airbus Defence and Space.

In addition the Authority would like industry to note the Authority may use Repetition of works or services (Regulation 16(1)(d)(ii)) if further works or provide further services, which are a repeat of the original works or services are required.
