New Forest District Council (NFDC) are carrying out this procurement exercise to identify, select and award a contract to; a single supplier covering the whole region.

Supplier(s) are required to satisfy the Council's selection criteria (Best Price Quality Ratio) and submit compliant bids under this tender exercise in order to be considered for contract award. See Guide for Tenderers for further information relating to the evaluation process.

Scope Overview:

The New Forest District Council (NFDC) is seeking a new contractor to collaborate with other suppliers in providing litter-picking services, primarily focused on the district's fast road network. The New Forest, a site of national and international significance, is renowned for its unique landscape, which attracts millions of visitors each year. Among

the critical routes is the A31, a main road that serves as a gateway to the New Forest, leaving a lasting first impression on residents, businesses, and visitors alike.

Scope 1

Traffic Management by Highways England: In this scenario, the successful contractor will provide the litter-picking crew and a Chapter 8 vehicle, while traffic management is handled by Highways England.

Scope 2

Contractor-Provided Traffic Management: Here, the successful contractor will supply both the traffic management and the litter-picking crew, including Chapter 8 vehicles.

By confirming an expression of interest in this contract opportunity, tenderers will automatically receive a link to the tender information including the full specification, contract terms and tenderer response forms.

All correspondence is via the Councils e-tendering portal ProContract hosted on the South East Business Portal (SEBP).
