The procurement is related to a project and/or programme financed by European Union funds: No

II.2.14) Additional information

The Authority is seeking to establish a framework agreement with a single Contractor who will be responsible for the sourcing, procurement, preparation and delivery of decommissioned used vehicles to various trial sites in the United Kingdom. To meet the individual needs of each trial, Dstl requires a flexible, responsive and adaptable approach.

Section III. Legal, economic, financial and technical information

III.1) Conditions for participation

III.1.1) Suitability to pursue the professional activity, including requirements relating to enrolment on professional or trade registers

List and brief description of conditions

Russian and Belarusian Suppliers, Products and Services

Except as set out in PPN 01/22, the Authority will not be accepting Tenders that:

- a. contain any Russian / Belarusian products and/or services; and/or
- b. are linked to entities who are constituted or organised under the law of Russia or Belarus, or under the control (full or partial) of a Russian / Belarusian person or entity. Please note that this does not include companies:
 1. registered in the UK or in a country with which the UK has a relevant international agreement with reciprocal rights of access in the relevant field of public procurement; and/or
 2. which have significant business operations in the UK or in a country the UK has a relevant international agreement with reciprocal rights of access in the relevant field of public procurement.

Tenderers must confirm in writing that their Tender, including any element that may be provided by any part of the Contractor's supply chain, does not contain any Russian / Belarusian products and/or services.

Tenderers must include provisions equivalent to those set out in this clause in all relevant Sub-Contracting Arrangements.

III.1.2) Economic and financial standing

Selection criteria as stated in the procurement documents

III.1.3) Technical and professional ability

Selection criteria as stated in the procurement documents

III.2) Conditions related to the contract

III.2.2) Contract performance conditions

In accordance with the Statement of Requirements (Annex A to Schedule 2 (SC2 Schedules)).

VI.4.3) Review procedure

Precise information on deadline(s) for review procedures

Standstill Period

The Authority is allowing a space of ten (10) calendar days between the date of dispatch of the electronic notice of its decision to award a Contract to the successful Tenderer before entering into a Contract, known as the standstill period. The standstill period ends at 23:59 on the 10th day after the date the DEFFORM 158s are sent. If the 10th day is not a business day, the standstill period ends at 23:59 of the next business day.

Clarification Questions

Clarification Questions should be submitted via the Defence Sourcing Portal no later than 6th September 2024, 00:00 (BST). The Authority shall answer all questions submitted no later than 13th September 2024 00:00 (BST).

The Authority will automatically copy clarification questions and answers to all Tenderers, removing the names of those who have raised the clarification questions. If you wish the Authority to treat the clarification as confidential and not issue the response to all Tenderers, you must state this when submitting the clarification question and provide justification. If in the opinion of the Authority, the clarification is not confidential, the Authority will inform the Tenderer, who will have an opportunity to withdraw the question. If the clarification question is not withdrawn, the response will be issued to all Tenderers.

VI.4.4) Service from which information about the review procedure may be obtained
