This contract is divided into lots: No

II.2) Description

II.2.3) Place of performance

NUTS codes

- UKI - London

Main site or place of performance

LONDON

II.2.4) Description of the procurement

The Natural History Museum wishes to secure the services of an FM consultant to assist with the process of tendering for new Facilities Management contracts. This consultant will be required to: undertake a review of existing FM services, develop a procurement and contract strategy and lead the re-tender process.

Extensive consultation and approval of the project process is required at all stakeholder

levels at an early stage. It is recognised that external professional consultancy services should assist the Museum in delivering a best fit, value for money and market analysed contract supportive of the following objectives: strong partnership and innovation; enhanced supplier performance; strategic alignment through the supply chain; flexibility built in; effective KPIs and SLAs; use of data and data capture to reduce the carbon intensity of the estate as it develops.

II.2.5) Award criteria

Price is not the only award criterion and all criteria are stated only in the procurement documents

II.2.6) Estimated value

Value excluding VAT: £120,000

II.2.7) Duration of the contract, framework agreement or dynamic purchasing system

Start date

13 November 2023

End date

19 December 2025

This contract is subject to renewal

No

II.2.10) Information about variants

Variants will be accepted: No

II.2.11) Information about options

Options: No

II.2.13) Information about European Union Funds

The procurement is related to a project and/or programme financed by European Union funds: No
