Description

CHIC is seeking to establish a multi-disciplinary consultancy framework that can be accessed by existing and future members of CHIC. The scope and potential lot structure will cover a wide range of built environment related professional consultancy services comprising but not restricted to Building Surveying services, Contract Administration, Employers Agent, Quantity Surveying services, and Principal Designer and any other roles that may be required to support the delivery of high quality, on time, on budget works. Support may be required at any project stage from Inception to Post Completion/In Use and may be in relation to Planned Works Programmes, individual works contracts, or any other projects that may arise during the term.

The Framework Agreement will be for the provision of construction related professional

services by a number of consultants and their supply chains.

The Framework will provide national coverage across the United Kingdom (UK). The opportunity is provided for suppliers to identify those areas or regions where they will be able to provide a service.
