The DPS Documentation will remain electronically accessible and available for the duration of the DPS and can be accessed via the DPS Portal. All correspondence and submission of documents must be through the portal.

Suppliers can apply to join the DPS either at the "Initial Joining Stage" or at any time during the period of validity of the DPS "Ongoing Joining Stage":

Initial Joining Stage:

- Suppliers, who wish to join at the Initial Joining Stage, must submit their Selection Questionnaire on the Portal on or before "the Deadline for Applications for the Initial Joining Stage" as stated in Section 2.3 of the RFI.

- UKRI will evaluate each Selection Questionnaire to determine whether the Minimum Selection Criteria are met. - UKRI will notify both successful and unsuccessful Suppliers of the outcome.
- No Mini Competitions will commence until all suppliers who applied to join the DPS at the initial joining stage have been notified of the outcome.

Ongoing Joining Stage:

- If a Supplier does not submit their Selection Questionnaire by the Deadline for Applications for the Initial Joining Stage, they can submit their Selection Questionnaire on the DPS Portal at any time during the period of validity of the DPS.
- UKRI will evaluate each Selection Questionnaire to determine whether the Minimum Selection Criteria are met and notify the Supplier as to whether its Selection Questionnaire was successful within 15 working days of receipt of the Selection Questionnaire.

The contracting authority considers that this contract may be suitable for economic operators that are small or medium enterprises (SMEs). However, any selection of tenderers will be based solely on the criteria set out for the procurement.
