after the decision has been made as to the reasons why the applicant was unsuccessful. If an

appeal regarding the award of the contract has not been successfully resolved, The Public

Contracts Regulations 2015 provide for aggrieved parties who have been harmed or are at

risk of harm by breach of the rules to take legal action. Any such action must be brought

within the applicable limitation period. Where a contract has not been entered into, the

Court may order the setting aside of the award decision or order for any document to be amended and may award damages, make a declaration of ineffectiveness, order for a fine to

be paid, and/or order the duration of the contract be shortened. The purpose of the standstill

period referred to above is to allow the parties to apply to the Courts to set aside the award

decision before the contract is entered into.
