Section II: Object

II.1) Scope of the procurement

II.1.1) Title

Imperial College Healthcare NHS Trust Operating Theatre Managed Service Pilot

II.1.2) Main CPV code

- 85111100 - Surgical hospital services

II.1.3) Type of contract

Services

II.1.4) Short description

Imperial College Healthcare NHS Trust (the "Trust") are announcing a strategic partnership with Integrated Health Solutions ("IHS") for the delivery of an innovative Trust-wide operating theatre based managed service. Amalgamating the provision of non-clinical services with a comprehensive optimisation programme to drive outstanding results, all delivered through IHS's extensive inhouse expertise. This collaborative partnership is a global first in terms of both scale and ambition, a multi-site project incorporating both clinical and non-clinical services together to deliver considerable clinical, operational and financial benefits. All focused on enhancing the clinical delivery of surgical services within Imperial College Healthcare NHS Trust. The Trust is anticipating the pilot to run for a period of two years, enabling the Trust to build a service specification

and to fully engage market.

II.1.6) Information about lots

This contract is divided into lots: No

II.1.7) Total value of the procurement (excluding VAT)

Value excluding VAT: £43,400,000

II.2) Description

II.2.2) Additional CPV code(s)

- 85100000 - Health services

II.2.3) Place of performance

NUTS codes

- UKI33 - Kensington & Chelsea and Hammersmith & Fulham

Main site or place of performance

Imperial College Healthcare NHS Trust

II.2.4) Description of the procurement

Imperial College Healthcare NHS Trust (the "Trust") are announcing an innovative strategic partnership with Integrated Health Solutions ("IHS") for the delivery of an innovative Trust-wide operating theatre based managed service. Amalgamating the provision of non-clinical services with a comprehensive optimisation programme to drive outstanding results, all delivered through IHS's extensive inhouse expertise. This collaborative partnership is a global first in terms of both scale and ambition, a multi-site project incorporating both clinical and non-clinical services together to deliver considerable clinical, operational and financial benefits. All focused on enhancing the clinical delivery of surgical services within Imperial College Healthcare NHS Trust. The Trust is anticipating the pilot to run for a period of two years, enabling the Trust to build a service specification and to fully engage market.

IHS will utilise their in-house expertise to deliver a range of services, including:

Supply Chain Management
Sourcing
Contract Management

Material Management
Consignment Management
Loan Kit Management
Preference Card Management
Preference Card Delivery
Invoicing & Payments
Managed Equipment Service
Operational Excellence
Consultancy Packages
Pathway Optimisation
Clinical Excellence
Digital Surgery
Data & Analytics

Through this innovative project, incorporating over 38,000 surgical procedures per year delivered across all Imperial sites, the collaborative partnership with IHS will allow Imperial College Healthcare NHS Trust to deliver multi-faceted, measurable enhancements, benefiting patients throughout their care pathway. To ensure the maximum benefits the partnership will incorporate (amongst others) the following specialties:

? General Surgery
? Major Trauma
? Colorectal
? Bariatrics
? Day Surgery
? Gynaecology
? Urology
? Urogynae
? Orthopaedics
? Spine
? Neurology
? Head & Neck
? ENT
? Oncology
? Breast
? Vascular
? Plastics
? Ophthalmology
? Maternity
? +/- Interventional Radiology
? +/- Renal

? +/- Radiology

The unique approach of combining optimised, non-clinical services with clinical and operational improvement projects, will deliver outstanding outcomes across the full spectrum of clinical care. Whilst utilising innovative commercial mechanisms to maximise the benefits for the Trust through risk-sharing agreements.

As a defined output of the pilot, Imperial College Healthcare NHS Trust will work in partnership with IHS to develop the optimal service specification for a longer-term service contract, which will be competitively procured during the pilot.

II.2.5) Award criteria

Price

II.2.11) Information about options

Options: No

II.2.13) Information about European Union Funds

The procurement is related to a project and/or programme financed by European Union funds: No

Section IV. Procedure

IV.1) Description

IV.1.1) Type of procedure

Award of a contract without prior publication of a call for competition in the cases listed below

- The procurement falls outside the scope of application of the regulations

Explanation:

Integrated Health Solutions are a global leader in partnering with hospital management and medical leaders to transform care pathways and clinical operations, with a shared goal of improving efficiency and outcomes, increasing patient and staff satisfaction and optimising costs. With an exemplary track record of delivering transformational services within the clinical environment by combining world class non-clinical services and innovative consultancy programmes, driving clinical, operational and financial optimization.

IHS have an established track record of successfully partnering with Imperial College Healthcare NHS Trust over an extensive period of time. Incorporating such projects as patient pathway optimization, operational excellence delivery and accelerated digital adoption. Alongside a full Cath Lab Managed Service, which generated over £15M in savings to the Trust over a 7-year period.
