I.5) Main activity

Health

Section II: Object

II.1) Scope of the procurement

II.1.1) Title

Perinatal Pelvic Health Assessment Tool

Reference number

C51688

II.1.2) Main CPV code

- 85121200 - Medical specialist services

II.1.3) Type of contract

Services

II.1.4) Short description

NHS England and Improvement are looking to commission the development and clinical validation of a perinatal pelvic health self-assessment tool to support the rollout of Perinatal Pelvic Health Services

II.1.5) Estimated total value

Value excluding VAT: £500,000

II.1.6) Information about lots

This contract is divided into lots: No

II.2) Description

II.2.2) Additional CPV code(s)

- 72212983 - Development software development services
- 48983000 - Development software package
- 72212180 - Medical software development services
- 73000000 - Research and development services and related consultancy services

- 73200000 - Research and development consultancy services
- 33692000 - Medical solutions
- 48180000 - Medical software package
- 85100000 - Health services

II.2.3) Place of performance

NUTS codes

- UK - United Kingdom

II.2.4) Description of the procurement

The scope of this exercise is to commission:

- The development of the tool, including co-production and cognitive testing with service users; and,
- The clinical validation and evaluation of this tool, working with Early Implementer and Fast Follower Systems (subject to individual agreement). Bidders must work with service users and medical professionals in the development of the tool

To support the national rollout of Perinatal Pelvic Health Services this work should be completed ideally by March 2023, and certainly by March 2024.

Expected key milestones:

- Completion of tool development phase
- Commencement of testing with Early Implementer and Fast Follower Systems
- Completion of clinical validation and evaluation
- Publication (project completion)

The proposed work must commence as soon as contracts have been signed and exchanged. The provider will be expected to mobilise rapidly, taking steps to ensure that they are able to deliver the tool as outlined, on time and to a high standard.

II.2.5) Award criteria

Price

II.2.6) Estimated value

Value excluding VAT: £500,000

II.2.7) Duration of the contract, framework agreement or dynamic purchasing system

Duration in months

27

This contract is subject to renewal

No
