II.1.4) Short description

The Royal Borough of Kingston (RBK) sought to commission the required services on behalf of the South London Waste Partnership (SLWP). For this procurement, the Service

Provider is required to provide one or more of the following services: receipt and bulking of

Contract Waste at a bulking or Waste Transfer Station; collection of Contract Waste from a

bulking or waste transfer facility; bulk haulage of Contract Waste; and treatment of Contract

Waste. Contract Waste for this procurement specifically refers to the separately collected

waste streams for Green Waste and Food Waste. The SLWP will arrange for the collection of

Contract Waste at the kerbside under its existing collections contract and at the HRRC sites

under its existing HRRC contract.

The SLWP appointed RBK as lead authority for the purposes of procuring the services described in the Specification for the benefit of each local authority within the Partnership.

The SLWP is made up of four London local authorities: the London Borough of Croydon (LBC), Royal Borough of Kingston (RBK), London Borough of Merton (LBM), and London Borough of Sutton (LBS).

The minimum contract duration will be 4 years and 7 months, with the possibility of any number or duration of extensions (at the discretion of the Authority) up to the Longstop date

of 31 March 2030.

The contracting authority reserved the right to award contracts combining the following lots

or groups of lots. The maximum number of lots that may be awarded is 5. A maximum of 5 lots may be awarded to either 1 single tenderer or up to 5 tenderers. The Authority reserves the right to award no Lot, any Lot, or any combination of Lots
