Section III. Legal, economic, financial and technical information

III.1) Conditions for participation

III.1.2) Economic and financial standing

List and brief description of selection criteria

It is a requirement of this contract that bidders hold, or can commit to obtain prior to the commence of any subsequently awarded contract,

the types and levels of insurance indicated below:

Minimum level(s) of standards possibly required

Employers (Compulsory) Liability Insurance GBP 5,000,000 minimum

Public Liability Insurance GBP 5,000,000 minimum

Professional Indemnity Insurance GBP 5,000,000 minimum

III.1.3) Technical and professional ability

Minimum level(s) of standards possibly required

Applicable to all lots;

- All tendered products must fully comply with the Requirement Documents included within the tender.

- If awarded to the Framework Potential Framework Participants must provide evidence that tendered products are UKCA/CE marked complying

with Medical Device Directive 93/42/EEC. Evidence should be in form of a certificate of compliance issued by a UKAS (or equivalent)

accredited independent third party.

- If awarded to the Framework Potential Framework Participants must provide certification to confirm that the manufacturing organisation

hold ISO 13485 certification or equivalent. All companies within the supply chain are approved to ISO9001 or equivalent, or ISO 13485 or

equivalent.

- If awarded to the Framework Potential Framework Participants must provide certification to confirm that the manufacturer meets the

Environmental standard ISO 14001 or equivalent.

- All tendered pricing must be inclusive of delivery.

- Potential Framework Participants must confirm

- a) that they are be able to start supply of products within 30 days from notification of award.

- b) that they will hold a minimum of 30 days stock at all times and be able to deliver within 5 working days as routine with delivery within

24 hours if occasionally required.

- c) If you are tendering for Lot 2 - Tracheostomy Accessories, confirm that you can tender at least 3 of the 7 product groups listed in the

'Price Schedule'.

- d) that they will submit, free of charge, samples of products tendered for evaluation as detailed in the price schedule.

- e) that in the event of a complaint being raised, investigations will take place and findings will be reported to complainant within 30 days

from receipt.

- f) that if required they can have suitably qualified and experienced training and/or support

staff available within 48 hours to all geographical

areas in Scotland. Training staff must include a product specialist/registered nurse and be validated and a record of the training provided

must be given to each staff member.

g)that following award of the contract, contact Health Boards to identify where training and or support is required to support

implementation of any product changes required. This should lead to the development of an implementation plan to support these changes

which includes details of the level of training required, who will provide it, where and when they will provide it and to which staff

members. The Potential Framework Participant must also detail the name and position of the person within the Health board who has

agreed to this training provision.

h)that following award your local representative you will be available to meet with National Procurement and local implementation leads.

NHS Scotland target will be to have any change associated with implementation complete within 3 months of contract award.

l)must provide details on numbers of products sold within last 12 months and country(ies) of sale. It is expected that products will have

been sold in a location with similar Health care standards to NHSS. The information provided here should give confidence that products are

in widespread use in areas with similar standards of healthcare provision. For innovative products and new products to the market, the

Potential Framework Participant must provide appropriate clinical evidence.

VI.3) Additional information

The buyer is using PCS-Tender to conduct this ITT exercise. The Project code is 25104. For more information see:

<http://www.publiccontractsscotland.gov.uk/info/InfoCentre.aspx?ID=2343>

The buyer is using PCS-Tender to conduct this ITT exercise. The Project code is 25104. For more information see:

<http://www.publiccontractsscotland.gov.uk/info/InfoCentre.aspx?ID=2343>

Community benefits are included in this requirement. For more information see:

<https://www.gov.scot/policies/public-sector-procurement/community-benefits-in-procurement/>

A summary of the expected community benefits has been provided as follows:

It is a mandatory requirement that potential framework participants agree to support the concept, provision and ongoing development of

community benefits provision in relation to this framework.

Potential framework participants are required to agree to this mandatory requirement. They are also requested to provide a brief summary

of the community benefits that have recently been delivered within NHS Scotland, if at all, and also what impact and outcomes these have

achieved.

Potential framework participants are required to summarise any proposed community benefits that will be developed and delivered as part

of this contract is successful, or, alternatively potential framework participants confirm they will engage with the NHS Scotland's

Community Benefit Gateway(CBG). This gateway, developed through requests from suppliers seeking opportunities to support the

delivery of community benefits within the contracting region, provides information on community benefit opportunities. The CBG is a free

and easy to use online service that connects NHS Scotland suppliers with third sector community organisations within Scotland and will be

used for tracking and reporting and is approved compliant route to the realisation of community benefits.

(SC Ref:744805)

VI.4) Procedures for review

VI.4.1) Review body

The Common Services Agency (more commonly known as NHS National Services Scotland) ("the Authority")

Gyle Square (NSS Head Office), 1 South Gyle Crescent

Edinburgh

EH12 9EB

Telephone

+44 1698794504

Country

United Kingdom

Internet address

<http://www.nhsscotlandprocurement.scot.nhs.uk/>

VI.4.3) Review procedure

Precise information on deadline(s) for review procedures

The Authority will notify economic operators who submitted a tender or (where no deselection notification has previously been made)

applied to be selected to tender, of its decision to award the framework agreement which notification will contain among other information,

a summary of the reasons why the economic operators was unsuccessful. The notification will incorporate a 'standstill period' of a

minimum of 10 clear calendar days (or a minimum of 15 if the communication method used is not electronic) between the date on which

the Authority dispatches the notice(s) and the date on which the Authority proposes to conclude the relevant framework agreement. The

bringing of court proceedings against the Authority during the standstill period will automatically continue the prohibition on entering into

the framework agreement until the court proceedings are determined, discontinued or disposed of, or the court, by interim order, brings to

an end the prohibition. The remedies that may be awarded by the courts before the framework agreement has been entered into include the

setting aside of the decision to award the framework agreement to the winning tenderer(s). The bringing of court proceedings against the

Authority after the framework agreement has been entered into will not affect the framework agreement unless grounds for the imposition

of special penalties under the Public Contracts (Scotland) Regulations 2015 can be established. Otherwise, the remedies that may be

awarded by the courts where the framework agreement has been entered into are limited to the award of damages.
