### **II.2.4) Description of the procurement**

TfGM has awarded a contract (via a two-stage contracting process) for the detailed design (PACE ES5) and construction of Rail station improvement projects (under the DfT funded “Access for All” programme) at four Rail stations within Greater Manchester.

- Bryn
- Hindley
- Reddish North
- Swinton

All four stations within the programme have had design developed to the Outline Design

(PACE ES4/Form A) stage and will thereby allow interested contractors to bid against the full delivery package. The successful bidder will provide First Stage pre-construction services and progress the Detailed Design to PACE ES5 approval. Upon completion of the First Stage and subject to formal approval from TfGM, the Contractor will enter into a separate Construction Works contract based upon the rates and fees provided as part of this tender. Award of the Second Stage is dependent upon agreed costs and programme developed initially by the Contractor and updated on a regular basis throughout the First Stage. Formal instruction by TfGM, for the Second Stage Construction Works, will be at an appropriate timing of design development/approvals and cost programme agreement.
