- 79400000 - Business and management consultancy and related services

II.1.3) Type of contract

Services

II.1.4) Short description

Water Resources South East (WRSE) is a collaborative alliance between the six companies across the South

East of England and a wider group of water related stakeholders. The objective of WRSE is, through

partnership working, to plan the necessary investments and activities required to ensure water supplies

remain resilient for customers and the economy whilst also protecting the environment. The six water

companies include Southern Water, SES Water, South East Water, Affinity Water, Portsmouth Water and

Thames Water. These companies supply water to approximately 19 million people across the water

stressed South East and face a range of challenges to ensure secure water resources into the future.

II.1.6) Information about lots

This contract is divided into lots: No

II.1.7) Total value of the procurement (excluding VAT)

Value excluding VAT: £315,000

II.2) Description
