Services

II.1.4) Short description

The London Borough of Hillingdon wishes to appoint an experienced service provider for the water quality servicing contract ensuring compliance with all relevant industry, manufacturers and safety standards. The contract is to include Hillingdon Council's housing stock and Corporate (non-housing) sites as indicated within the Pricing Schedule.

As part of the Service the Contractor shall:

- a) Provide regular servicing of Cold-Water Service Tanks, Blenders/Mixers, Stop Valves, Showers and maintain a system to ensure the work is carried out at regular intervals.
- b) Provide a breakdown service of Cold-Water Service Tanks, Blenders/Mixers, Stop Valves, Showers and maintain a system to ensure the work is carried out at regular intervals.
- c) Provide monitoring of water quality in hot and cold water systems as outlined in this Specification for all sites listed in the Pricing Schedule (and any sites subsequently added during the contract term) and maintain a system to ensure the work is carried out at regular intervals.

d) Provide regular readings of water meters and maintain a system to ensure the work is carried out at regular intervals

e) Establish and maintain a system to ensure that all buildings have up to date accurate water risk assessments and reviews in accordance with the requirements of the code of practice for the control of Legionella L8 and this Specification.

f) Detail In the Pricing Schedule the cost of each of the regular servicing visits for all plants on each and every site as detailed in this Specification and listed under the SERVICING INSPECTION & TESTING headings and also executed In accordance with all relevant British Standards, Industry standards, Codes of Practice, Regulations and Statutory Requirements.

The Council intends to award a contract for these services for a period of up to three (3) years with an option to extend for up to a further one (1) plus one (1) years subject to agreement and satisfactory performance.
