I.4) Type of the contracting authority

Body governed by public law

I.5) Main activity

Environment

Section II: Object

II.1) Scope of the procurement

II.1.1) Title

Westleigh Pumping Borehole

II.1.2) Main CPV code

- 45120000 - Test drilling and boring work

II.1.3) Type of contract

Works

II.1.4) Short description

The Coal Authority (client) invites you to tender for the drilling of a mine water monitoring borehole to assess rising mine water on the surrounding environment at Westleigh, Wigan. A review of the mine water block by the Coal Authority has highlighted that mine water levels in the area could be elevated in respect to the rest of the block. There is potential for elevated mine water levels which could pose a risk to the overlying drinking water aquifers. Therefore, the Coal Authority requires construction of a borehole to intersect flooded underground workings at the former Priestner's Colliery at Westleigh, Wigan. The proposed borehole is to be used to improve understanding of mine water in the Golborne, Bickershaw and Parsonage mine water block and will be used for water level monitoring, water quality sampling and abstraction of water.

II.1.5) Estimated total value

Value excluding VAT: £400,000

II.1.6) Information about lots

This contract is divided into lots: No

II.2) Description

II.2.2) Additional CPV code(s)

- 45120000 - Test drilling and boring work

II.2.3) Place of performance

NUTS codes

- UKD - North West (England)

Main site or place of performance

The Site is located on the land to the west/southwest of Westleigh Lane, Wigan WN7 5RP

(nearest

postcode), approximately 0.6km to the east/northeast of the suburb of Westleigh and 1.5km

northwest of the centre of the town of Leigh, Greater Manchester

II.2.4) Description of the procurement

The works required is detailed within the Scope and tenderers are advised to read and consider all aspects of the tender documents before preparing your tender submission. The aim of the documents is to outline the minimum technical and performance levels required by the Coal Authority should your organisation be awarded a contract.

II.2.5) Award criteria

Price is not the only award criterion and all criteria are stated only in the procurement documents

II.2.7) Duration of the contract, framework agreement or dynamic purchasing system

Start date

11 November 2024

End date

31 March 2025

This contract is subject to renewal

No
