4D.1 Quality Management Procedures:

The bidder must hold a UKAS (or equivalent) accredited independent third party certificate of compliance in accordance with BS EN ISO 9001 (or equivalent),

OR

2. The bidder must have the following:

a. A documented policy regarding quality management. The policy must set out responsibilities for quality management demonstrating that the bidder has, and continues to implement, a quality management policy that is authorised by their Chief Executive, or equivalent, which is periodically reviewed at a senior management level. The policy must be relevant to the nature and scale of the work to be undertaken and set out responsibilities for quality management throughout the organisation.

b. Documented procedures for periodically reviewing, correcting and improving quality performance including processes for ensuring that the bidder's quality management is effective in reducing/preventing incidents of sub-standard delivery. This must include the quality of output and general performance.

c. A documented process for ensuring that quality management is effective in reducing/preventing incidents of sub-standard delivery. This must include the quality of output and general performance. The bidder must be able to provide copies of their organisation's documentation procedures that meet current agreed good practice. These must include the arrangements for quality management throughout the bidder's organisation. They must set out how the bidder's organisation will carry out its policy, with a clear indication of how the arrangements are communicated to the workforce.

(SC Ref:672440)
