Section II: Object

II.1) Scope of the procurement

II.1.1) Title

FW Supply & Install - ED2 Rising Lateral Mains Installation SHEPD

II.1.2) Main CPV code

- 45310000 - Electrical installation work

II.1.3) Type of contract

Works

II.1.4) Short description

Scottish Hydro Electric Power Distribution intends to award framework agreements to contractors who have the necessary capacity, capability, and expertise to deliver Rising Lateral Mains Inspection and Intervention works, as fully detailed in the slide pack attached.

The Pre-Qualification Questionnaire documents (Rising and Lateral Mains Works - PQQ Questions) can be downloaded from www.sse.com/potential-suppliers (Call for Competition drop down).

Should you wish to participate in this PQQ, please email Nicola.Compton@sse.com and confirm your request to be invited to respond to the PQQ. Please advise if you are are/are not registered on Jaggaer.

If your company is already registered on Jaggaer, please contact Nicola.Compton@sse.com by email to register interest, you will be added to the event and a confirmation email will be sent to you, confirming the usernames registered to your Jaggaer account.

If your company is not already registered on Jaggaer, please contact (Nicola.Compton@sse.com) with the name of your company and contact email address. We will start the registration process for you, and you will receive an invitation by email to complete this. Once you have completed the registration, please let us know and we will activate your account, following which you will be able to access and complete the PQQ.

You will then be added to the PQQ event within our Jaggaer procurement system which can be accessed through the link already provided.

Any queries should be sent to the above email address unless you have been added to the Jaggaer event, in which case queries should be sent through the Jaggaer messaging system
