Variants will be accepted: No

II.2.11) Information about options

Options: Yes

Description of options

We understand that requirements as scope may evolve or expand over time, and we are committed to providing flexibility in our purchasing approach. Therefore, we would like to include an option in the tender / specification to purchase additional/similar services if needed or new requirement a where the scope needs to be determined, where appropriate.

The option for additional/similar services has been included within the existing budget at £60,000 pa and will allow us to extend the scope of the contract beyond the initial requirements outlined in this tender. This provides the opportunity to address any emerging needs or explore related services that may arise during the contract term.

Furthermore, we emphasize our willingness to work collaboratively with the selected provider. We value a strong partnership and recognize the importance of ongoing communication and cooperation to ensure the successful delivery of services. We will engage in open dialogue with the provider to assess the suitability of any additional/similar services and determine the most appropriate approach.

By including this option and fostering a collaborative relationship, we aim to enhance the effectiveness and responsiveness of the procurement process while meeting our evolving needs.

Please note that the inclusion of additional/similar services will be subject to further agreement and will comply with applicable contractual terms and conditions.

II.2.13) Information about European Union Funds

The procurement is related to a project and/or programme financed by European Union funds: No

II.2.14) Additional information
