II.1.4) Short description

The Blessed Peter Snow Catholic Academy Trust has decided to tender their Primary School catering services to investigate the financial and qualitative benefits they could be offered through this process.

The Blessed Peter Snow Catholic Academy Trust wish to be at the forefront of school catering and as such require a modern, branded offer that reflects the leading trends in the industry.

At this time, the Trust's wish is to commence a catering contract, with a partner who shares their vision for a customer-focused service that attracts the maximum number of students. The meals that are to be provided must be appealing to customers, imaginative, provide good value for money and be nutritionally balanced to encourage all students to make an educated choice.

The Trust's objectives for the new contract are as follows:-

A catering service that is well managed and requires minimal involvement from the Trust's management team.

A strong Contractor Area Manager who will develop and lead the team to deliver exceptional customer service, a consistently high quality food offer and spend a substantial amount of time on site at the outset to undertake this.

A Contractor who is proactive in their relationship management with the Trust, working to a mutually agreed SLA and KPI targets.

Investment in the Trust's Catering service through increased marketing in return for a tenure of contract.

A higher number of students and staff using the facilities by providing a high quality, affordable and nutritious meal.

A catering service that encourages students to take a healthy and balanced meal.

Food and drinks that look appetising and are attractively presented.

A hospitality service that will help showcase the Trust through events to parents and visitors.

A Contractor that adopts a flexible and proactive approach to all Trust activities.

A service that is professionally merchandised and marketed with discretion and to the mutual benefit of the Trust and the Contractor.

A Contractor that operates using the optimum level of staffing.
