II.1.4) Short description

Northern Star Academies Trust wish to be at the forefront of School catering and as such

require a modern, branded offer that reflects the leading trends in the industry.

At this time, the Trust's wish is to commence a catering contract, with a partner who shares

their vision for a customer-focused service that attracts the maximum number of students

while driving for some radical environmental aspirations. The meals that are to be provided

must be appealing to customers, imaginative, provide good value for money and comply with

the national Standards for School Lunches.

Beyond this however, the Trust are looking to provide a consistent Trust wide narrative to

promote healthy and sustainable practices, while developing ways to engage stakeholders in

the vision of greener attitudes, local provenance and food that looks fresh and has a story.

The Trust has collaborated through a series of workshops, to create a Food and Catering

Charter which collates the vision for catering within the Trust.

Pupil and staff feedback has focused on speed of service, single use plastics and removing

unhealthy options. For full feedback please see the included survey responses from Primary,

Secondary and Staff stakeholders.

Therefore, the aim of this tender is to find a commercially realistic partner, who is forward

thinking and collaborative in their approach. The Trust have determined to utilise the charter

below which incorporates this feedback, when measuring the prospective partners for this

Contract.

The Contractor shall acknowledge that TUPE will apply to this contract.

It is requirement of the Contractor that an on-site area management support function is available from the start of the contract for a minimum of one month. The Contractor shall ensure that the current catering team's strengths and weaknesses are assessed immediately

at the start of the contract and provide tailored training to address their development needs.

The Contractor will provide regular management support on an on-going basis including training, marketing and HR for the duration of the contract.

It is a requirement that the Contractor must provide an ABS pension for the contract, which

will allow staff who TUPE to retain access to their LGPS pension.

The Contractor must ensure that equality of service provision is provided through menu choice ensuring particular requirements are met for religious and dietary requirements e.g.,

Halal, vegetarian, vegan, medical diets.

Skipton Girls, Harrogate High and New Park Schools have a requirement for an HFA Halal

provision. They would not like HFA meat to be the basis of the menu, but simply an additional

choice. Consideration of food separation and preparation will need to be shown.

Eastwood and Holycroft Primaries both have a requirement for HMC Halal provision for the

majority of pupils.

The Contractor should ensure that their purchasing for all produce, which is to be used in Halal meals, conforms to the HMC requirements for these sites and that this can be easily and readily demonstrated to the students and their parents and guardians. Food

preparation

and delivery must also conform to Halal requirements.

Where HMC cannot be provided at these Schools, the Trust will require some detail for alternative solutions.

All of the tenders will be subject to a detailed evaluation process, which will be based on an appropriate balance between sound commercial principles, technical expertise and a firm commitment to meeting all of the Trust's requirements. The Evaluation Matrix below, details the requirements of this tender including weighting. The Trust shall be under no obligation to accept the lowest of any tender prices submitted hereunder.

The Trust will be utilising a partnership document to evaluate Contractors and gauge how the services will align with the vision for all customers and stakeholders. This along with the commercial considerations, will be measured to shortlist Catering partners.

You will see that the corresponding Food and Catering Vision (below) details the service vision as formulated by leaders, senior leaders and pupils. We are inviting Contractors to commit to as many of the elements as possible within their submission, through the Food and Catering Charter which we have used to formulate our Qualitative evaluation.
